

BOX/BAG PREPARATION

Stay Safe:

- Wash your hands prior to packing boxes and put on gloves if available
- Wear a mask
- Wash hands after working with any materials
- Maintain a Social Distance (at least 6 feet) from all people donating or clients you are delivering to
- Never enter anyone's home-leave all packages outside

Frequently Asked Questions

- **What should each box or bag contain?**
 - Pack each individual box/bag with 8-10 food items and 2-3 cleaning products -See attached list
- **How do I transfer boxes or bags**
 - Level off the boxes for stacking purposes (lay down items that extend over the top of the box)
 - Deliver boxes to clients in need
 - Bring additional items to drop off locations: (We will increase sites as we get participation) ([Click for Locations](#))
- **Should Donations be in Boxes or Bags**
 - Boxes are preferred for storage
 - Bags can be utilized as well. All items in one large garbage bag or strong shopping bag per donation
- **What if I do not get all of the items on the food list per donation?**
 - Feel free to substitute items
 - Each package should have a variety of food items and personal or cleaning items
- **What if my donation does not fill an entire box**
 - Check with Neighborhood Captain to see if they can accept items to add to boxes/bags already made
- **Can I pack items that have been in my pantry for a while?**
 - Please do not send expired or Open Items
 - Expired food will not help our guests nutritionally or emotionally
